## Our Society's Objectives

- To promote and share a knowledge of gardens and gardening
- To promote excellence in flowers, fruit and vegetables through judged competition
- To co-operate in community projects with other groups or organisations with similar interests and objectives
- To encourage in children an interest in gardening
- To enhance the environment of the Wadestown, Wilton and Highland Park districts

The Wadestown Wilton Horticultural Society is a great way to meet fellow gardeners in your area, sharing and comparing local gardening knowledge. The society meets once a month (usually on the first Monday of the Month) and gives you access to great garden tips and tricks, specialist guest speakers and away days.
